

San Francisco Bay Area Koi Club

Koi Show ❖ Pond Tour ❖ Road Trips

Guest Speakers ❖ Group Discounts ❖ Koi Health Advisors

Networking With Old & New Friends

The SFBKAC is a non-profit EDUCATIONAL club for koi enthusiasts. Anyone who requires help or advice should feel free to request it from our membership. We encourage anyone interested in koi or currently involved with koi to become a member. Guests are always welcome to come and check us out at our monthly general meetings.

The Club meets the 4th Saturday of the month

Mission Statement

“The San Francisco Bay Area Koi Club wants to help people do it right the first time, helping to create a dream rather than a nightmare.”

1. To encourage, promote, and educate others in the art of keeping Koi and building ponds through quality guidance and care for show, breeding, aesthetics, sales, or just for pleasure.
2. To build a “Koi keeping” network among the members.
3. Projects:
 - a. Sponsor Koi Shows and pond tours.
 - b. Study and research all areas of Nishikigoi, including pond and water garden design, construction, development, and support
4. Encourage and promote the development and presentation of show Koi. Our membership extends from San Francisco to Brentwood, Salinas to Red Bluff! Many members are virtual only, but are active in supporting the objectives of the SFBKAC.
